☞ IRECTOR'S REPORT TO THE SHAREHOLDERS

I welcome you to the 38th Annual General Meeting of shareholders of the Company to present you the Annual Report together with the Audited Accounts for the year ended June 30, 2021.

The economic conditions, poor law and order and regularly occurring disturbances were not very helpful in the year ending June 30, 2021. The year under review has not been a good one for the Engineering Sector of Pakistan as well the ever increasing financial cost fuel, electricity, gas and other input costs combining with law and order situation created an atmosphere not at all helpful to the economy.

The Income Tax Authorities had passed an illegal Order to Freeze our account and written to our Customers to stop payments to our Company.

The Income Tax Department had frozen our Vendor's Bela Automotives Itd's bank accounts through their ORDER D.C.No. 01/40 DT 31 OCT 2014 for your reference, This matter was resolved and letter from the Income Tax Deptt. Dated 22 -09-2015 informed banks that our Vendor Company's Accounts were detached, Income Tax Order No.DCIR/ENF/UNIT-05/ZONE –IV/RTO-II/2015/168 of detachment of our Vendor's Accounts.

This order of freezing of accounts by the Income Tax was certainly illegal as it had added entries of 14 years old. The said order was also illegal as he denied our Company Depreciation. The said Order was passed exparte, without giving the Company to be heard. This entire Order was illegal and it took us about one year to have the illegal add backs and depreciation to be allowed During this period we could not operate the factory and we lost our customers. This was great loss to our Company as a result of high handedness by the Officer of the Income Tax Department, and we had to lay off workers and Staff.

Besides monetary loss it was a loss of good will of our Company. We are contemplating filing of Damages Suit against the Officers for their high handed and unlawful behaviour.

FINANCIAL RESULTS:

The financial results of the Company are reproduced below:

	2021	2020
	Rupees	Rupees
Turnover	_	_
Gross Loss	(1,189,712)	(4,036,605)

CAUSES OF PREVIOUS YEARS' LOSS:

PROBLEMS WITH HAB1B BANK LIMITED

HBL liability includes large amounts that are unlawful and fictitious capitalization markup on markup, penal markup and markup on excise duty and charged interest 15 yrs beyond tenure. All illegal. The company has filed suit before Honorable High Court of Sindh against HBL vide Suit No. B-90 dated September 5, 2001 for Accounts, injunction, declaration & damages for Rs 599.214 Million. For the reasons cited above, the Management is confident of a favorable outcome.

HBL case is pending for announcement of decision on point whether suit is liable to be dismissed for not filling certified copy of bank statement, differences in balances of same accounts on same dates, mark up, interest capitalized penal interest, excise duty, interest and compound & penal interest on excise duty. HBL unlawfully debited / charged interest

for many years beyond tenure and the following points:

- a. Opening balance 86,520,160/-
- b. No vouchers produced for Rs 31.399 million.
- c. No accounts head movement statements.
- d. One accounts not produced,in their Suit B 94 OF 2001 in the Court, unlawful debits were of 100 million in heads of interest, compound interest, penal interest, excise and its interest compound interest, and its penal interest. This must be some sort of record of dishonest accounting practices.
- e. Non disbursal of funds and massive unlawful debits by HBL, destroyed our project.
- f. Auditor didn't check disbursement at all though reminded several times by us in writing sent through hand delivered letters and through TCS .SBP Committee set up by Govt SBP for Dispute Resolution SBP CRCULARS 24 & 29 REFERS:-

SBP Committee Secretary wrote 2 letters to HBL asking them to supply full Statements of Accounts WITH DISBURSEMENT EVIDENCE. We sent 9 letters to HBL through SBP Committee to provide full Statements of Accounts, with Disbursement Evidence. SBP letters referred above and our letters referred above, were not responded by HBL at all . This speaks volumes for our assertion that Entire Liability of HBL is Bogus .

FUTURE PROSPECTS

BAL has established and maintained a Customer Satisfaction Plan for customers. This plan is executed with an overall objective to achieve total satisfaction as per BAL Quality Policy. The objective of achieving customer satisfaction is being specially monitored through work instruction No. BAL-QI5, which is a part of ISO 9001- 2000.

In order to improve the Company's position, we are pleased to inform our valuable share holders that the Company has extended its contracts for the supply of Motorcy cle Gears Shafts and other precision parts on a regular basis with Atlas Honda for the assembling of their Motorcycles, with Millat Tractors for Massey Ferguson Tractors and Dawood Yamaha for Yamaha Motorcycle. This would result in substantial increase in Sales, which would contribute to improved performance of the Company in future years. For this improvement we need additional working capital, which we are trying to increase our production.

As you know that the main factors for growth of an industry is a healthy atmosphere

etc. We are heading towards radical improvement, in our Company's performance by adjustment of our customer and sales base and solve our working capital needs.

The Income Tax Department had frozen our Bela Automotives Itd's bank accounts through their ORDER D.C.No. 01/40 DT 31 OCT 2014 for your reference, This matter was resolved and letter from the Income Tax Deptt. Dated 22-09-2015 informed banks that our Vendor Company's Accounts were detached, Income Tax Order No.DCIR/ENF/UNIT - 05/ZONE –IV/RTO-II/2015/168 of detachment of our Vendor's Accounts.

The management has carefully considered the audit report. Financial charges on Demand Finance and Short Term Running Finance were not provided for since the company has filed suit before Honorable High Court of Sindh against HBL vide Suit No. B-90 dated September 5, 2001 for Accounts, injunction, declaration & damages for Rs 599.214 Million and the Directors are confident of a favorable outcome. The Company entered into contracts for the supply of Motorcycle Gears Shafts etc. on a regular basis with Atlas Honda for the assembling of their Honda Motorcycles and Millat Tractors, Dawood Yamaha, Sanpak, Thal Engineering, Pak Suzuki etc for supply of auto parts. The plant has not been fully utilized due to lack of adequate Working Capital and due to previous heavy financial charges. However, the situation is temporary and the Directors of the Company will make every effort to overcome this situation in a short time. Due to the reasons stated above, Directors are confident that Company will produce very good results in foreseeable future if we are able get more working capital. HBL did not provide the working capital as promised. On the contrary it wiped our funds of working capital which we had from our own resources through blatant unlawful debits

It is projected that the entire accumulated loss will (Inshallah) be completely wiped out in the year ending June 2024.

The management has over 29 years experience this highly technical industry. Despite, HBL's sabotaging our unit with massive unlawful debits we expect resounding successin the years ahead, as we expect to INSHAALLAH find huge prosperity ahead.

PAST ACHIEVEMENTS

The CEO of Atlas Honda Ltd presented Bela Automotives Ltd. with an Award. F or hitech Forging components, at the 6" Auto Parts Manufacturers Seminar held at their Atlas Honda plant at Karachi.

Award. For Mehran Revival Award in acknowledgment of significant contribution for the Revival of Suzuki Mehran. The CEO of Pak Suzuki Motor Co. Ltd presented Bela

sent to financial institution. We understand that the financial institution did not confirm the balances because the cases were in litigation and appearing in the books of accounts of the Company allegedly claimed by Habib Bank Limited. Habib Bank Limited charged Markup on Markup, penal Markup, Markup as excise duty created and capitalized a new fictitious loan. Honourable High Court of Sindh has passed vide order dated 12th May 2004, that exact liability of M/s. Habib Bank Limited is to be verified from the Chartered Accountants.

The Auditors have written a qualification that the company has not carried out revaluation of assets. We however expect to arrange for this required revaluation next year.

The management is certain to generate sufficient savings as consequences of adapting all such measures. Significant portion of accumulated loss consist of depreciation on fixed assets from 2013 to 2020 amounting Rs.34.980 million.

The present auditors M/s. Mushtaq & Co., Chartered Accountants, retire and being eligible offers themselves for reappointment.

ACKNOWLEDGMENT

Your Board of Directors commends the well-coordinated teamwork of labour, staff and management of the company, to bring the Company back in profit.

We thank our shareholders who have demonstrated confidence in the ability and dedication of the management.

We also thank our valued customers, our vendors and contractors for maintaining a long-term business relationship with the Company.

REVIEW REPORT TO THE MEMBERS

On the Statement of Compliance with Best Practices of the Code of Corporate Governance

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2017 (the Regulations) prepared by the Board of Directors of **Bela Automotives Limited** (the Company) for the year ended **June 30, 2021** in accordance with the requirements of regulation 40 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions and also ensure compliance with the requirements of section 208 of the Companies Act, 2017. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee. We have not carried out procedures to assess and determine the Company's process for identification of related parties and that whether the related party transactions were undertaken at arm's length price or not.

Based on our review, except for the note no. 2, 11 & 15 of Statement of Compliance, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Company for the year ended June 30, 2021.

INDEPENDENT AUDITORS' REPORT To the members of the BelaAutomotives Limited Report on the Audit of the Financial Statements

Adverse Opinion

We have audited the annexed financial statements of **BelaAutomotives Limited**which comprise the statement of financial position as at **30 June,2021** and the statement of profit or loss and other comprehensive income, the statement of changes in equity, the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, because of the significance of the matters referred to in paragraph (a) to (e), the statement of financial position, statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes forming part thereofdo not conform with the accounting and reporting standards as applicable in Pakistan and do not give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively do not give a true and fair view of the state of the Company's affairs as at 30 June, 2021 and of the loss and other comprehensive loss, changes in equity and its cash flows for the year then ended.

Basis for Adverse Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan(the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion and after due verification we report that:

- (a) Amount in respect of Demand Finance Rs.41,996,881 and Short Term Running Finance Rs.34,505,905, remains unpaid to Habib Bank Limited. The company has not provided financial charges on these Demand and Short Term Running Finances as these liabilities are disputed since long. The bank did not confirm the balances. The Company and the Bank have also lodged suits against each other as per details given in note 7 and 11 to the financial statements. Honorable High Court of Sindh had ordered further investigation to be made by a recognized firm of Chartered Accountants, before making its final orders.
- (b) Company has not carried out revaluation of property, plant and equipment under International Accounting Standard (IAS) 16 "Property, Plant and Equipment"; since 30 October 2004.Impact of the same on assets, revaluation surplus and on statement of changes in equity of the Company cannot presently be determined.
- (c) The company has not charged depreciation for the year ended June 30, 2021 amounting Rs.3.69 million. Had the depreciation been charged in the accounts, the net loss would have been increased by the above said amount.

As described in Note 2.1 to the financial statements, the financial statements have been prepared on going concern basis. The company has incurred a net loss of Rupees 3.520 million during the year ended June 30, 2021 and as of that date, reported accumulated losses of Rupees 47.076 million. The Company is facing operational and financial problems and its operations have been seized since last year. There is no sufficient appropriate audit evidence that the management's plans are feasible and ultimate outcome will improve the Company's current situation. However, these financial statements

- (a) have been prepared on going concern basis, but in our judgment, management's use of going concern assumption in these financial statements is inappropriate.
- (b) The company has not accounted for Allowance for Expected credit loss (ECL) this year as required by IFRS 9.Had the ECL been charged in the accounts, the net loss would have been increased by amounting to Rs.216,962/-.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

Management is responsible for the other information. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard, except mentioned in basis for adverse opinion paragraph.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of the Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Boards of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risk of material misstatement of the financial statements, whether due to fraud
 or error, design and perform audit procedures responsive to those risks, and obtain audit evidence
 that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a
 material misstatement resulting from fraud is higher than for one resulting from error, as fraud may
 involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal
 control.
- Obtain an understanding of internal control relevant to the audit to design audit procedures that are
 appropriate in circumstances, but not for the purpose of expressing an opinion on the effectiveness of
 the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to the events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

From the matters communicated with the board of directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because adverseconsequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- b) the statement of financial position, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flowstogether with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;
- c) investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and

d) nozakat was deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980).

Engagement partner on audit resulting in this independent auditor's report is Mr. Zahid Hussain Zahid,

FCA.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2021

1 LEGAL STATUS AND OPERATIONS

Bela Automotives Limited (The Company) was incorporated in Pakistan as a Private Limited Company in November, 1983 under the repealed Companies Act, 1913 (Now Companies Act, 2017) and converted into a Public Limited Company on August, 1985. The company is listed on Pakistani Stock Exchange (formerly in Karachi Stock Exchange) on September 27, 1994. The registered office and manufacturing facilities of the company are located at Plot 1 & 3 Mouza Pathra Hub Chowki, in the province of Baluchistan, Pakistan.

Nature of business

The Company is engaged in manufacturing of automotive, precision cold forged and bicycle parts and high tensile bolts, nuts stud, screw and gear shaft.

2 STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of International Financial Reporting Standards (IFRS) issued by the international Accounting Standards Board (IASB) as notified under the Companies Act, 2017 and Provision of and directives issued under the Companies Act, 2017. Where provision of and directives issued under the Companies Act, 2017 differ from the IFRS, the provisions of and directives issued under the Companies Act, 2017 have been followed.

2.1 Going concern assumptions

Due to pending litigation in the Honorable High Court of Sindh at Karachi and CIB reporting by the bank, company could not arrange working capital to run the project on maximum capacity. These financial statements have been prepared on going concern basis. To substantiate its going concern assumption, the management is undertaking adequate steps towards the reduction of fixed cost and expenses which are at various stages of implementation. Such steps include, but not limited to, resource conservation, close monitoring of other fixed cost etc. The management is certain to generate sufficient savings as consequences of adapting all such measures. Significant portion of accumulated loss consist of depreciation on fixed assets from 2013 to 2020 amounting Rs.34.980 million.

The sales have decreased because the Income Tax Authorities had passed an illegal Order to Freeze our account and written to our Customers to stop payments to our Company. The Income Tax Department had freezed the bank accounts of the company and its vendors, through their Order D.C. No. 01/40 dated 31-10-2014. This matter was resolved and letter from the Income Tax Deptt. dated 22-09-2015 informed banks that the company's and its vendors accounts be detached vide Income Tax Order No.DCIR/ENF/UNIT-05/ZONE –IV/RTO-II/2015/168. This order of freezing of accounts by the Income Tax was certainly illegal as it had added entries of 14 years old. The said order was also illegal as he denied our company's depreciation. The said Order was passed exparte, without giving the Company to be heard. This entire Order was illegal and it took us about one year to have the illegal add backs and depreciation to be allowed. During this period we could not operate the factory and we lost our customers, and we had to lay off workers and Staff.

2.2 Accounting Convention

These Financial statements have been prepared under the historical cost convention except for certain fixed assets have been included at revaluation.

2.3 Standards, Interpretations and amendments to Published Approved Accounting Standards

2.3.1 Standards, amendments and interpretations to existing standards that are not yet effective and have not been early adopted by the Company.

Effective date (annual reporting periods beginning on or after)

IAS 1	Presentation of financial statements (Amendments)	January 1, 2023
IAS 8	Accounting policies, changes in accounting estimates and errors	January 1, 2023
IAS 12	Income Taxes (Amendments)	January 1, 2023
IAS 16	Property, Plant and Equipment (Amendments)	January 1, 2022
IAS 37	Provisions, Contingent Liabilities and Contingent Assets (Amendments)	January 1, 2022

2.3.2 There are a number of other minor amendments and interpretations to other approved accounting standards that are not yet effective and are also not relevant to the Company and therefore have not been presented here.

3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

3.1 CRITICAL ACCOUNTING ESTIMATES AND JUDGMENTS

The preparation of financial statements in conformity with approved accounting standards requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Company's accounting policies. Estimates and judgements are continually evaluated and are based on historic experience and other factors, including expectation of future events that are believed to be reasonable under the circumstances.

3.2 STAFF RETIREMENT BENEFITS

The Company operates an unfunded gratuity scheme covering all its permanent employees who have attained the minimum qualifying period for entitlement to the gratuity. There was only one employee entitled for gratuity, therefore the management beleived that it is unreasonable to conduct actuarial valuation as required by IAS 19 " Employee Benefits". The company contributes one month salary of the employee after every one year.

During the year, the company has paid the gratuity to its only permanent employee. All other employees are hired on contractual basis and the company is not offering any gratuity benefit to contractual employees.

3.3 TAXATION

Current

The current taxation charge is Computed under existing tax law on income determined to be taxable at the applicable rates and allows admissible tax credits and rebates, if any.

Deferred

Deferred Tax is accounted for using the balance sheet liability method, in respect of temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax basis used in the computation of taxable income. Differed tax is calculated by using the tax rate enacted at the balance sheet date. A deferred tax asset is recognized only to the extent that it is probable that future taxable profit will be available and the credits can be utilized. Deferred tax assets are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

3.4 TRADE & OTHER PAYABLES

Liabilities for trade & other amount payable are carried at cost, Which is the fair value of the consideration to be paid in the future for goods and services, Weather or not billed to the company.

3.5 PROVISIONS

Provisions are recognized when the company has a present legal or constructive obligation as result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount can be made. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

3.6 PROPERTY, PLANT AND EQUIPMENT

a Cost

Property, plant and equipment (except freehold land, Building and Plant and Machinery) are stated at cost less accumulated depreciation and impairment losses, if any. Free hold land are stated at revalued amounts whereas Building and Plant and Machinery are stated at revalued amount less accumulated depreciation and impairment losses, if any.

All expenditure connected to the specific assets incurred during installation and construction period are carried under capital work in process. These are transferred to assets as and when the assets are available for use.

b Depreciation

Depreciation on all property, plant and equipment except freehold land is charged by applying the reducing balance method whereby depreciation is charged by applying rates on the opening book value of the assets. Depreciation on additions is charged from the month in which the asset is put to use while no depreciation is charged in the month in which the asset is disposed off. Residual values and the useful lives are reviewed at each balance sheet date and adjusted if expectations differ significantly from the previous estimates. The management estimates that the financial impact of changes in the residual values and the useful lives during the year is immaterial.

Residual value are determine by the management as the amount it expects would receive currently for the item of property, plant and equipment if it were already of the age and in the condition expected at the end of its useful life based on the prevailing market prices of similar assets already at the end of their useful life. Useful lives are determined by the management based on expected usage of the assets, expected physical wear and tear, technical and commercial obsolescence and other similar factors.

c Repair and Maintenance

Maintenance and normal repairs are charged to profit and loss account as and when incurred. Major renewals & improvements are capitalized and the assets so replaced, if any are retired.

3.7 STORES, SPARES AND LOOSE TOOLS

These are valued at lower of cost and Net Realizable Value. Cost of inventory is based on weighted average cost less provision for obsolescence, if any. Items in transit are stated at cost comprising of invoice value plus other charges there on accumulated upto reporting date.

3.8 STOCK -IN - HAND

These are valued at lower of cost and net realisable value. Cost in relation to raw materials in hand, packing material and components has been calculated on a weighted average basis and represents invoice values plus other charger paid theron. Cost in relation to work in process and finished goods represents direct cost of materials, wages and appropriate manufacturing overheads. Net realizable value represents the estimated selling price in the ordinarry course of business less all estimated costs necessary to completion and to be incurred in marketing, selling and distribution.

3.9 TRADE DEBTS

Trade debts originated by the Company are recognized and carried at original invoice amount less an allowance for any uncollectible amounts. An estimated provision for doubtful debt is made when collection of the full amount is no longer probable. Bad debts are written off as incurred.

3.10 REVENUE RECOGNITION

According to the core principles of IFRS-15, the company recognizes the revenue from sale when the company satisfies a performance obligation (at a point of time) by transferring promised goods to customers being when the goods are dispatched to customers. Revenue is measured at fair value of the consideration received or receivable and is reduced for allowances such as taxes, duties, commission, sales returns and discounts.

Return on bank balances is accrued on a time proportion basis by reference to the principal outstanding and the applicable rate of return. Dividend income and entitlement of bonus shares are recognized when right to receive such dividend and bonus shares is established.

3.11 FINANCIAL INSTRUMENTS

All financial assets and liabilities are recognized at the time when the company become a party to the contractual provision of the instruments. Consistent with prior year, all financial assets and liabilities are initially measured at cost, which is the fair value of the consideration given and received respectively. Any gain and loss on the recognition and de-recognition of the financial assets and liabilities is included in the net profit and loss for the period in which arises.

3.12 IMPAIRMENTS

The carrying amount of the Company's fixed assets are reviewed at each balance sheet date to determine whether there is any indication of impairment. Where carrying values exceeds the respective recoverable amount, assets are written down to their recoverable amounts and are recognized in the profit and loss account.

3.13 CASH AND CASH EQUIVALENTS

For the purpose of cash flow statement, cash and cash equivalents comprise of cash in hand and bank balance with bank on current and deposit accounts .

3.14 EARNINGS PER SHARES

The company presents basic and diluted earnings per share (EPS) data for its ordinary shares. Basic EPS is calculated by dividing the profit/ loss attributable to ordinary share holders of the company by the weighted average number of ordinary shares outstanding during the period.

3.15 DIVIDEND AND APPROPRIATION TO RESERVES

Dividend and other appropriation to reserves are recognised in the financial statements in which these are approved.

3.16 FINANCIAL INSTRUMENTS

Financial instruments carried on the balance sheet include investments, deposits, trade debts, loans and advances, other receivables, cash and bank balances, long-term financing, liabilities against assets subject to finance lease, short-term borrowings, accrued mark-up and trade and other payables etc. Financial assets and liabilities are recognized when the Company becomes a party to the contractual provisions of instrument. Initial recognition is made at fair value plus transaction costs directly attributable to acquisition, except for "financial instruments at fair value through profit or loss" which are initially measured at fair value.

Financial assets are de-recognized when the Company loses control of the contractual rights that comprise the financial asset. The Company loses such control if it realizes the rights to benefits specified in contract, the rights expire or the Company surrenders those rights. Financial liabilities are de-recognized when the obligation specified in the contract is discharged, cancelled or expired. Any gain or loss on subsequent measurement (except available for sale investments) and de-recognition is charged to the profit or loss currently. The particular measurement methods adopted are disclosed in the individual policy statements associated with each item.

3.17 OFF-SETTING OF FINANCIAL ASSETS AND FINANCIAL LIABILITIES

Financial assets & liabilities are offset and the net amount is reported in the financial statements only when the company has a legally enforceable right to offset the recognized amounts and the company intends either to settle on a net basis or to realize the assets and settle the liability simultaneously.

3.18 FUNCTIONAL AND PRESENTATION CURRENCY

Items included in the financial statements are measured using the currency of the primary economic environment in which the company operates. The financial statements are presented in Pakistani Rupees, Which is the company's functional and presentation currency.

3.19 RELATED PARTY TRANSACTIONS

All transactions with related parties are carried out by the Company at arms' length price using the method prescribed under the Companies Act, 2017.

7 LONG TERM FINANCING

Long term loan from Habib bank Ltd

7.1 41,996,881 41,996,881 41,996,881 41,996,881

7.1 The Company had obtained Loan from Habib Bank Limited for import of Plant and Machinery equivalent to US \$ 1.150 million. It was converted into Pak Rupees at the selling rate prevailing on the date on which it was converted into long term demand finance. The loan was rescheduled and under the new terms the document was retired for Rs 24,853,812.

On company request the bank rescheduled the loan and under the new term repayment was to commence from March 1996 at the rate of Rs. 300,000 per month. Again on company's request the bank rescheduled the loan on April 14, 1998 under which the repayment of installments was to commence from January 1999 at the rate of Rs. 700,000 per month. The other term and conditions relating to this rescheduling are contained in the agreement.

The markup is payable @ 39 paisa per day. The loan is secured against a fixed legal mortgage of land and a floating charge and hypothecation on all movable and immovable assets of the Company.

- 7.2 The company has filed suit before Honorable High Court of Sindh against Habib Bank Limited, vide suit No.B-90 dated September 5, 2001 for accounts, injunction, declaration & damages for Rs. 599.214 million. For the reason cited above the company has not provided markup on demand finance. The management is confident of a favorable outcome.
- 7.3 The company has filed suit before Honorable High Court of Sindh against Habib Bank Limited, vide SUIT No. B-90. The management is of the view that amount reflected in current maturity since 2000 is not required to be paid within next 12 months and has therefore been transferred to loan amount.
- 7.4 Habib Bank Limited also filed suit vide suit no.B-94 of 2001 against the company for recovery of Rs.176.965 million. This case is pending for annoucement of decision on point whether suit is liable to be dismissed for not filling certified copy of bank statement, differences in balances of same accounts on same dates , mark up ,interest capitalized penal interest, excise duty, interest and compound & penal interest on excise duty . 32 PRODUCTION CAPACITY

Production capacity of plant can not be determined as this depends upon relative proportion of various type of bolts and nuts produced.

33 IMPACT OF COVID-19

During the year, the World Health Organization declared the Novel strain of Corona virus (Covid-19) a global pandemic and recommended containment and mitigation measures worldwide. The Federal and Provincial governments of Pakistan also took various measures, including imposition of lockdown, from the end of March 2020 to contain the spread of Covid-19. This caused an overall economic slowdown and varying degree of disruption to various businesses including textile sector, resulting in temporary decline in sale. However, the Company's management has assessed that there is no impact of COVID-19 on the Financial Statements of the Company.

34 FINANCIAL INSTRUMENTS

34.1 Interest rate exposures

Interest rate is the risk that the value of financial instruments will fluctuate due to changes in market interest rates.

34.2 Credit Risk

Credit risk is the risk that one party to a financial instrument will to discharge its obligation and causes the other party to a financial loss. Management adopt a prudent credit policy so management believe that credit risk is minimal.

34.3 Other Price Risk

Other price risk represents the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. The company is not exposed to commodity price risk as it does not hold financial instruments based commodity prices.

34.4 Fair Value of Financial Instruments

The carrying value of the all financial instrument reflected in the financial statements approximates their fair value.

34.5 Liquidity Risk

Liquidity Risk is the risk that an enterprise will encounter difficulties in raising funds to meet commitments associated with financial instruments. The management believe that it is not exposed to any significant level of liquidity risk. The management forecast the liquidity of the company on expected cash flows considering the level of liquid assets necessary to meet such risk. This involves monitoring balance sheet liquidity rations against internal and external regulatory requirements and maintaining debt financing plans.

34.6 Capital Risk Management

The company's objectives when managing capital are to safeguard the company's ability to continue as going concern in order to provide return for shareholders and benefit for other stake holders and to maintain an optional capital structure to reduce the cost of capital. The company is currently financing its operations through equity and working capital.
