**DIRECTOR'S REVIEW:**

The Board of Directors of your company is pleased to present to you this half-yearly review along with un-audited accounts of the company, for the half-yearly ended December 31, 2021.

The economic conditions remained stagnant in the period ending December 31, 2021 because of political uncertainty and low duty allowed for imported finished good. The half-yearly under review has not been a good one for the Engineering Sector of Pakistan. as well the ever increasing financial cost fuel , electricity, gas and other input costs combining with law and order situation created an atmosphere not at all helpful to the economy.

However, we are pleased to inform our shareholders that the Company has gone into a new mix of items and despite adverse conditions WE ARE GRATEFUL TO THE ALMIGHTY THAT He has helped us to become and report to you profitability for this period.

OPERATING RESULT:

The sales for the period have aggregate to Rs. 0.000 Million from Rs. 0.000 Million of the corresponding previous period. The sales have decreased this period as the Income Tax Authorities had passed an illegal Order to Freeze our account and written to our Customers to stop payments to our Company.

The Income Tax Department had frozen our Vendor's Bela Automotives ltd's bank accounts through their Order D.C.No. 01/40 dt 31 OCT 2014 for your reference, This matter was resolved and letter from the Income Tax Deptt. Dated 22-09-2015 informed banks that our Vendor Company's Accounts were detached, Income Tax Order No.DCIR/ENF/UNIT-05/ZONE -IV/RTO-II/2015/168 of detachment of our Vendor's Accounts.

This order of freezing of accounts by the Income Tax was certainly illegal as it had added entries of 14 years old. The said order was also illegal as he denied our Company Depreciation. The said Order was passed exparte, without giving the Company to be heard. This entire Order was illegal and it took us about one year to have the illegal add backs and depreciation to be allowed During this period we could not operate the factory and we lost our customers.

CAUSES OF PREVIOUS YEARS' LOSS:**PROBLEMS WITH HABIB BANK LIMITED**

HBL liability includes large amounts that are unlawful and fictitious capitalization mark up on mark up, penal mark up and mark up on excise duty and charged interest 15 yrs beyond tenure. All illegal . The company has filed suit before Honorable High Court of Sindh against HBL vide Suit No. B-90 dated September 5. 2001 for Accounts, injunction, declaration & damages for Rs 599.214 Million. For the reasons cited above, the Management is confident of a favourable outcome.

HBL suit B-94 is pending for announcement of decision on point whether suit is liable to be dismissed for not filling certified copy of bank statement, differences in balances of same accounts on same dates , mark up ,interest capitalized penal interest, excise duty, interest and compound & penal interest on excise duty . HBL unlawfully debited / charged interest for many years beyond tenure and the following points:

a. Opening balance 86,520,160/- b. No vouchers produced for Rs 31.399 million. c. No accounts head movement statements. d. One accounts of produced in the Court, unlawful debits of Rs 100 million. This must be some sort of record of dishonest accounting partices. e. Non disbursal of funds and unlawful debits by HBL, destroyed our project."

AUDITORS' RESERVATION:

Basis of Adverse Conclusion

The main reason of loss was due to operational break down because of short of working capital which dropped the production operational efficiency.

The sales have decreased because the Income Tax Authorities had passed an illegal Order to Freeze our account and written to our Customers to stop payments to our Company.

The Income Tax Department had frozen the bank accounts of the company and its vendors, through their Order D.C. No. 01/40 dated 31-10-2014. This matter was resolved and letter from the Income Tax Deptt. dated 22-09-2015 informed banks that the company's and its vendors accounts be detached vide Income Tax Order No.DCIR/ENF/UNIT-05/ZONE-IV/RTO-II/2015/168.

This order of freezing of accounts by the Income Tax was certainly illegal as it had added entries of 14 years old. The said order was also illegal as he denied our company's depreciation. The said Order was passed exparte, without giving the Company to be heard. This entire Order was illegal and it took us about one year to have the illegal add backs and depreciation to be allowed.

The management anticipates that above steps will not only bring the Company out of the existing financial crisis but also contribute significantly towards the improvement of the company financial position in the foreseeable future.

The auditors have qualified their report due to the cases were in litigation and appearing in the books of accounts of the Company allegedly claimed by Habib Bank Limited. Habib Bank Limited charged Mark up on Mark up, penal Mark up, Mark up as excise duty created and capitalized a new fictitious loan.

The Auditors have written a qualification that the company has not carried out revaluation of assets. We however expect to arrange for this required revaluation next year.

ACKNOWLEDGEMENT

Your Board of Directors commends the well-coordinated teamwork of labour, staff and management of the company, to bring the Company back in profit in future.

We thank our shareholders who have demonstrated confidence in the ability and dedication of the management.

We also thank our valued customers, our vendors and contractors for maintaining a long-term business relationship with the Company.

INDEPENDENT AUDITORS' REVIEW REPORT TO THE MEMBERS OF BELA AUTOMOTIVES LIMITED REPORT ON REVIEW OF CONDENSED INTERIM FINANCIAL INFORMATION

Introduction

We have reviewed the accompanying condensed interim statement of financial position of **Bela Automotives Limited** (the Company) as at 31st December, 2021 and the related condensed interim statement of profit or loss, condensed interim statement of comprehensive income, condensed interim statement of cash flow, and condensed interim statement of changes in equity together with the notes forming part thereof (here-in-after referred to as the "interim financial information), for the half year then ended. Management is responsible for preparation and presentation of this interim financial reporting in accordance with approved accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on this interim financial information based on our review.

The figures of the condensed interim statement of profit or loss, condensed interim statement of comprehensive income and the notes forming part thereof for the quarters ended 31st December, 2021 and 2020 have not been reviewed, as we are required to review only the cumulative figures for the half year ended December 31, 2021.

Scope of Review

We conducted our review in accordance with the International Standards on Review Engagements 2410, "Review of interim financial information performed by the independent Auditors of the Entity". A review of interim financial information consists of making inquiries, primarily of the persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Basis of Adverse Conclusion

The following observations come to our knowledge during our review of interim financial information:

- (a) The company has incurred a net loss of Rupees 1.371 million during the half year ended December 31, 2021 and as of that date, reported accumulated losses of Rupees 48.448 million. The Company is facing operational and financial problems. There is no sufficient appropriate audit evidence that the management's plans are feasible and ultimate outcome will improve the Company's current situation. However, these financial information has been prepared on going concern basis, but in our judgment, management's use of going concern assumption is inappropriate.
- (b) Amount in respect of demand finance Rs.41.99 million and short term running finance Rs.34.51 million as disclosed in note 5, remains unpaid to Habib Bank Limited. The company has not provided financial charges on these demand and short term running finances as these liabilities are disputed since long. The Company and the Bank have also lodged suits against each other as per details given in note 6.
- (c) The company has not charged depreciation for the half year ended December 31, 2021 amounting Rs.1.84 million. Had the depreciation been charged in the accounts, the net loss would have been increased by the above said amount.

Such steps include, but not limited to, resource conservation, close monitoring of other fixed cost etc. The management is certain to generate sufficient savings as consequences of adapting all such measures.

The sales have decreased because the Income Tax Authorities had passed an illegal Order to Freeze our account and written to our Customers to stop payments to our Company.

This order of freezing of accounts by the Income Tax was certainly illegal as it had added entries of 14 years old. The said order was also illegal as it denied our company's depreciation. The said Order was passed exparte, without giving Company the right to be heard.
